## Specifications

### Material and Construction

“Metropolitan” series features a heavy cast aluminum lid with a weighted central flip top. Frame is made of 1” square steel tubing with 1/2” square steel bar and 1/4” thick steel flat bar, all zinc plated.

“Harbor” and “Boulevard” series come equipped with a spun aluminum lid. Frame is made of 2”W x 1/4” thick steel zinc plated flat bar.

All hardware shall be stainless steel.

### Liners

“Metropolitan” series litter containers come equipped with an outer liner painted the same color as the frame. Internal liner is a galvanized 20 US gallon steel container.

“Harbor” and “Boulevard” series are equipped with single galvanized steel 20 US gallon liner, painted the same color as the frame.

### Lids (spun aluminum, except CWT)

- AT — ash and trash
- CWT — hinged cast aluminum
- DM — dome
- FL — funnel
- FT — flip top

### Mounting

Provision for surface mounting, mounting hardware not included.

### Color

The five standard RAL colors are: Black (RAL 9011), Green (RAL 6005), Brown (RAL 8019), Grey (RAL 7012) and White (RAL 8016). For specifications and other color options see “Color/Finish” section of this catalog.
