Specifications

Material and Construction

“Metropolitan” series features a heavy cast aluminum lid with a weighted central flip top. Frame is made of 1” square steel tubing with 1/2” square steel bar and 1/4” thick steel flat bar, all zinc plated.

“Harbor” and “Boulevard” series come equipped with a spun aluminum lid. Frame is made of 2”W x 1/4” thick steel zinc plated flat bar.

All hardware shall be stainless steel.

Liners

“Metropolitan” series litter containers come equipped with an outer liner painted the same color as the frame. Internal liner is a galvanized 20 US gallon steel container.

“Harbor” and “Boulevard” series are equipped with single galvanized steel 20 US gallon liner, painted the same color as the frame.

Lids (spun aluminum, except CWT)

- AT — ash and trash
- CWT — hinged cast aluminum
- DM — dome
- FL — funnel
- FT — flip top

Mounting

Provision for surface mounting, mounting hardware not included.

Color

The five standard RAL colors are: Black (RAL 9011), Green (RAL 6005), Brown (RAL 8019), Grey (RAL 7012) and White (RAL 8016). For specifications and other color options see “Color/Finish” section of this catalog.
